Advanced High Performance Leadership

Advanced High Performance Leadership

Introduction:

This advanced-level leadership conference is aimed at giving you the skills you need to manage and lead people to an advanced level - focusing on six key areas of leadership - Communication, Innovation, Vision, Inspiration, Enabling, and Encouragement.

You will have the opportunity to test your current skills and be challenged and coached to become the best leader you can be. Using case studies and examples from great historical leaders, and the elite of the modern business world, we will investigate leadership and human behavioral patterns, look at changes in business trends, study human motivation and work on modern practical leadership tools and methodologies.

At every point in this conference, you will be encouraged to participate in the discussion, group work, practical exercises, meetings and experiments.

This exciting and inspiring conference will give you the challenge and the boost you need to move you onto the next level of leadership.

In a world where staying the same, means falling behind, this could be the challenge you have been waiting for.

Conference Objectives:

At the end of this conference the participants will be able to:
