Mastering Strategic Leadership With Risk Management and Negotiation Skills

REF: C706 DATE: 10 - 14 November 2024 Venue: Istanbul (Turkey) - Fee: 5850 Euro

Introduction:

This conference is designed to provide participants with a comprehensive understanding of strategic decision-making, risk management, negotiation techniques, and leadership skills. The focus is on equipping leaders with the tools to navigate complex business environments, manage risks effectively, negotiate successfully, and inspire their teams to achieve organizational goals.

Conference Objectives:

By the end of this conference, participants will be able to:

- Develop strategic frameworks for decision-making and organizational growth.
- Identify and assess risks and implement mitigation strategies.
- Master negotiation techniques to achieve win-win outcomes.
- Apply leadership principles to influence and guide teams through challenges.
- Integrate strategy, risk, negotiation, and leadership to drive success.

Target Audience:

- Senior Executives.
- Team Leaders and Managers.
- Project Managers.
- Business Owners.
- Risk and Strategy Professionals.

Conference Outline:

Unit 1:

Strategic Decision-Making and Planning:

- Developing long-term strategic frameworks.
- Aligning strategy with organizational goals.
