Motivating, Coaching, Counselling &
Mentoring: Practical Tools for Effective
Leadership

A photograph of four smiling professionals (three men and one woman) in a meeting setting, wearing white shirts. The image is partially obscured by a large blue curved graphic element that sweeps across the top and right sides of the page. The woman in the foreground is wearing a black top and a multi-strand necklace.

Motivating, Coaching, Counselling & Mentoring: Practical Tools for Effective Leadership

REF: C489 DATE: 22 September - 3 October 2024 Venue: Cairo (Egypt) - Fee: 6965 Euro

Introduction:

We often hear record-breaking athletes say; I owe it to my coach; That's because however talented they are, athletes need a coach to improve their performance and competitiveness. Likewise, Companies and Organisations need to create a culture where coaching and feedback occur as a routine part of each day. Towards this strategic end.

This innovative and motivating course, explains a structured approach to coaching which is effective whether a professional is working with a recruit or seeking improvement from an experienced player.

Being less of a boss and more of a coach is fundamental to modern management.

Urging people to do better won't work unless they know how to do it better.

Good coaching builds trust and a collaborative climate between professionals and teams.

Conference Objectives:

At the end of this conference the participants will be able to:

- Understand that coaching and equipping, is one of the most important acts of leadership.
- Recognize that to get things done cost-effectively they must "grow" people to their full potential.
