# Top Management and Executives Leadership Development

REF: M1116 DATE: 13 - 17 October 2024 Venue: Dubai (UAE) - Fee: 4400 Euro

## Introduction:

This training program is designed to empower senior leaders with the skills, knowledge, and mindset necessary to excel in their roles. It aims to cultivate visionary leaders who can effectively navigate complex challenges, inspire high-performance teams, and drive sustainable growth and success.

## Program Objectives:

At the end of this program, participants will be able to:

- Develop and communicate a clear organizational vision to inspire and align teams.
- Utilize data-driven strategic decision-making processes and effectively manage risks.
- Apply advanced communication techniques to influence and build rapport with stakeholders.
- Lead and develop high-performance teams, fostering a culture of collaboration and accountability.
- Implement effective change management and innovation strategies to drive continuous improvement within the organization.

## Targeted Audience:

- Senior executives and top management personnel.
- Executives aspiring to advance into top leadership roles.
- Directors and department heads responsible for strategic decision-making.
- Leaders seeking to enhance their leadership capabilities and effectiveness.

## Program Outlines:

### Unit 1:

#### Visionary Leadership:

- Understanding the role of vision in leadership.
- Developing a compelling organizational vision.
- Communicating the vision effectively to inspire others.

- Aligning actions with the organizational vision.
- Empowering teams to contribute to the vision.
- Continuously refining and adapting the vision as needed.

## Unit 2:

### Strategic Decision-Making:

- Analyzing strategic challenges and opportunities.
- Utilizing data-driven approaches to decision-making.
- Evaluating risks and rewards associated with strategic choices.
- Engaging stakeholders in the decision-making process.
- Implementing strategic decisions effectively.
- Monitoring and adjusting strategies based on feedback and results.

## Unit 3:

### Effective Communication and Influence:

- Enhancing communication skills for leadership effectiveness.
- Tailoring communication styles to different audiences.
- Building rapport and fostering trust with stakeholders.
- Leveraging persuasion techniques to influence others positively.
- Managing conflict and difficult conversations constructively.
- Inspiring and motivating teams through effective communication.

## Unit 4:

### Leading High-Performance Teams:

- Techniques for building and developing high-performing teams.
- Establishing clear goals and expectations for team members.
- Providing feedback and coaching to support team growth.
- Creating a culture of collaboration and accountability.

- Resolving conflicts and managing team dynamics.
- Empowering teams to take ownership and initiative.

## Unit 5:

### Change Management and Innovation:

- Understanding the dynamics of organizational change.
- Leading change initiatives effectively.
- Overcoming resistance to change and fostering buy-in.
- Encouraging innovation and creativity within the organization.
- Implementing processes to support continuous improvement.
- Adapting to and capitalizing on market disruptions and industry trends.
