International Financial Reporting Standards  
IFRS

A group of four smiling business professionals (two men and two women) are seated at a table in a meeting room. They are all wearing white shirts. The woman in the foreground is wearing a black top and a multi-strand necklace. The background is a bright, modern office setting with large windows.

# International Financial Reporting Standards IFRS

REF: F1689 DATE: 2 - 6 December 2024 Venue: Paris (France) - Fee: 5940 Euro

## Introduction:

This training program provides a comprehensive overview of International Financial Reporting Standards IFRS, focusing on the principles, application, and impact of IFRS on financial reporting. It equips participants with the knowledge to effectively implement and comply with IFRS requirements, enhancing their ability to produce accurate and transparent financial statements.

## Program Objectives:

By the end of this program, participants will be able to:

- Understand the principles and objectives of IFRS and its application in financial reporting.
- Apply key IFRS standards, including those related to financial instruments, revenue recognition, and leases.
- Prepare and present IFRS-compliant financial statements, including income statements, balance sheets, and cash flow statements.
- Address and solve common challenges in IFRS implementation through case studies and practical examples.
- Stay up-to-date with recent developments and trends in IFRS and anticipate future changes in international financial reporting.

## Target Audience:

- Financial Accountants.
- Financial Reporting Managers.
- Auditors.
- Compliance Officers.
- Finance Professionals involved in international financial reporting.
