Public Affairs and Government Relations
Strategy In The Oil And Gas Industry

A photograph of four business professionals (two men and two women) sitting around a table, smiling and looking towards the camera. They are dressed in professional attire. The background is a bright, modern office setting. A large blue curved graphic element is overlaid on the top right and bottom right of the image.

19 - 23 August 2024
Kuala Lumpur (Malaysia)

Public Affairs and Government Relations Strategy In The Oil And Gas Industry

REF: ST1809 DATE: 19 - 23 August 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

Introduction:

Effective Government Relations for the Oil & Gas Sector training course will provide participants with a thorough understanding of the government relations function within the oil and gas sector. Participants will gain an understanding of the business value that a strategic approach to government relations can deliver at all stages of the oil and gas investment cycle: exploration and production, transportation, trading, processing and distribution. This training course will provide insight into the role government relations plays in winning new business, building and reinforcing a strong reputation, supporting operations, managing change and resolving disputes.

Course Objectives:

At the end of this course the participants will be able to:

- In-depth knowledge of how to use a strategic approach to government relations to create value for your business
- In-depth insight into how to analyse and mitigate political risks facing your business
- The ability to develop and implement a fit for purpose government relations strategy to support your business needs
- Knowledge of a wide range of tools and tactics to use to improve your ability to manage relations with government in a wide variety of situations
- Insight into how to create synergies between the government relations function and other functions such as Project Management, Operations, Finance, Legal and Public Relations
