Strategic Audit Development

REF: A1246 DATE: 28 October - 1 November 2024 Venue: Trabzon (Turkey) - Fee: 5300 Euro

Introduction:

This program provides a comprehensive training curriculum for participants to excel in internal audit operations, procedures, and communication strategies. It empowers them to contribute positively to organizational governance and risk management.

Program Objectives:

At the end of this program, participants will be able to:

- Establish and structure internal audit operations, including defining, developing, and implementing an internal audit function.
- Understand the distinctions and responsibilities between internal and external auditors.
- Identify internal audit staff positions and develop the audit committee charter for a board of directors.
- Conduct a comprehensive range of audits from operational to forensic, including financial audits, compliance audits, and fraud and forensic audits.
- Optimize internal audit procedures and methodologies, including developing streamlined processes and selecting effective audit programs.
- Effectively communicate audit findings, plan audit exit conferences, and distribute final internal audit reports.
- Conduct post-audit reviews, update internal controls for boards of directors, and stay updated on audit risk developments and projects.

Targeted Audience:
