HR - Managing the Training Function  
(Certified Training Manager)

A photograph of four smiling professionals in a meeting. A woman in a black top and beaded necklace is in the foreground, looking towards the camera. Behind her are three other people (two men and one woman) in white shirts, looking towards the right. The background is a bright, modern office setting. A large blue curved graphic element is overlaid on the top and right sides of the image.

# HR - Managing the Training Function (Certified Training Manager)

REF: H198 DATE: 30 September - 4 October 2024 Venue: Barcelona (Spain) - Fee: 5565 Euro

## Introduction:

Recent International developments have seen training elevated in its importance in successful companies. The new task and challenge is to market, run and produce measurable results through all aspects of training. To do this the Training manager has new skills to master and to be in line with the new requirements of the demands of world-class companies.

This program is for Training Managers who need to produce measurable results and who want to get the best from their training functions. This program will explain the paradigm shift that has and is taking place in international training and will provide attendees with the skill, knowledge, and confidence to turn any training function into a true powerhouse. You will also find out the new leadership skills needed for future success and their 6 key indicators.

## Course Objectives:

At the end of this course the participants will be able to:

- Master the key techniques of managing the new style training function and beyond
- Describe the new role of training and be able to carry out effective marketing within their organization
- Re-examine the design of the training function to establish the most effective department for their organization
- Master budgets and new training software for TNA and financial control
- Demonstrate added value and return on training Investment ROI
- Develop a training strategy
