Conference: Ensuring the Quality of
Certification in Vocational Education and
Training

A photograph of four young professionals (two men and two women) sitting around a table in a meeting. They are all smiling and looking towards the camera. The woman in the foreground is wearing a black top and a multi-strand necklace. The others are wearing white shirts. The background is a bright, modern office setting.

11 - 15 November 2024
Kuala Lumpur (Malaysia)

Conference: Ensuring the Quality of Certification in Vocational Education and Training

REF: C2185 DATE: 11 - 15 November 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5850 Euro

Introduction

Trust in qualifications plays a crucial role for people. In this case their qualification has value and they can use it for employment, further education or training. In June 2015 the Vocational Education and Training VET ministers for the European Union EU Member States acknowledged the importance of encouraging transparency, comparability and recognition of VET qualifications to facilitate the mobility of students and workers in Europe.

Conference Objectives

At the end of this conference, participants will be able to:

- Do research phases and know about methods applied
- Understand the certification process
- know how to provide clear reference points for assessment
