Advanced Strategies in Aggressive Tax  
Planning and Management

A photograph of four smiling professionals in a meeting. A woman in a black top and beaded necklace is in the foreground, looking towards the camera. Behind her are three other people (two men and one woman) in white shirts, looking towards the right. The background is a blurred office setting. A large blue curved graphic element is overlaid on the top and right sides of the image.

# Advanced Strategies in Aggressive Tax Planning and Management

REF: TR1927 DATE: 29 December 2024 - 9 January 2025 Venue: Amman (Jordan) - Fee: 5325 Euro

## Introduction:

This training program aids professionals in navigating the complexities of tax legislation. Within the context of current tax laws and settings, this program provides useful tax planning techniques. By the end of the program, participants will have ways to increase their short-term tax deductions and decrease their long-term tax exposure. .

## Program Objectives:

At the end of this program, the participants will learn about:

- Learn how to file taxes and prepare tax returns.
- Become knowledgeable about the various approaches and strategies used in tax planning.
- Use various tax planning methods to distinguish between tax avoidance, avoidance of tax, and tax planning, and to identify which ones are appropriate in which circumstances.
- Recognize why tax management, control, and planning are all equally important parts of the process.
- Reading case studies and taking part in discussions with taxation experts will help you get useful information.
- Consider different tactics to influence tax rules to your advantage.

## Targeted Audience

- Accountants and tax consultants.
- Experts in general taxation.
- Tax experts working for advising firms and Tax experts in the commercial and trade sectors.
- Government employees.
