Compensation and Benefits Management

REF: H224 DATE: 22 - 26 July 2024 Venue: Tbilisi (Georgia) - Fee: 5830 Euro

Introduction:

This training program delves into the essential strategies and methodologies in compensation and benefits management, enabling HR professionals to design and implement effective reward systems. It empowers participants to enhance employee satisfaction, attract and retain talent, and align compensation strategies with organizational goals.

Program Objectives:

By the end of this program, participants will be able to:

- Understand the key components of compensation and benefits systems.
- Develop and implement competitive compensation strategies.
- Analyze job roles to establish equitable pay structures.
- Manage employee benefits programs effectively.
- Align compensation and benefits with overall business strategy.

Targeted Audience:

- HR Managers.
- Compensation and Benefits Specialists.
- HR Consultants.
- Payroll Managers.
- Business Leaders involved in reward management.

Program Outline:

Unit 1:

Fundamentals of Compensation Management:

- Understanding the principles of compensation management.
- Components of a total compensation package.
