Certified Performance Management
Professional (CPMP)

A group of four smiling business professionals (two men and two women) in a meeting room. They are wearing white shirts and are seated around a table. The background is blurred, showing a modern office environment. A large blue curved graphic element is overlaid on the top right and bottom right of the image.

28 July - 1 August 2024
Amman (Jordan)

Certified Performance Management Professional (CPMP)

REF: H1819 DATE: 28 July - 1 August 2024 Venue: Amman (Jordan) - Fee: 3350 Euro

Introduction

The purpose of this Certified Performance Management Professional CPMP course is to highlight the elements of performance management that lead to an effective and efficient organizational performance. This course will provide a strong foundation in deploying performance management by developing the next generation of performance experts. They will form the basis of the organization performance measurement capability.

In addition, this obtained performance knowledge will help you in understanding, establishing, activating, reporting and generating value by using KPIs across the organization. By completing this course, you will gain both the theoretical understanding and practical experience of using a variety of performance management tools and techniques.
