Agile HR Transformation - A to Z of best practices

A photograph of four business professionals (two men and two women) sitting around a table, smiling and looking towards the camera. They are dressed in professional attire. The background is a bright, modern office setting. A large blue curved graphic element is overlaid on the top right and bottom right of the image.

# Agile HR Transformation - A to Z of best practices

REF: BV1965 DATE: 2 - 6 September 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5300 Euro

## Introduction

Agile is an iterative method for creating projects that is backed by a culture of trust and teamwork and structured around experimentation, integration, and review. Agile has its origins in the realm of software development, but the agile philosophy and guiding principles are increasingly being put to the test in the field of human resources.

Agile HR is a methodology that emphasizes the HR function's rapid responsiveness and adaptability.

## Course Objectives
