Compensation Benefit Administration
Reward Management

A group of four smiling business professionals (two men and two women) are seated at a table in a meeting room. They are all wearing white shirts. The woman in the foreground is wearing a black top and a multi-strand necklace. The background is slightly blurred, showing a modern office environment with large windows.

Compensation Benefit Administration Reward Management

REF: H1774 DATE: 26 - 30 August 2024 Venue: Bangkok (Thailand) - JW Marriott Bangkok Fee: 6960 Euro

Introduction:

The compensation, Benefit Administration & Reward Management training course will utilize detailed case studies and the latest research to explain reward strategies from an administrative, strategic and human perspective. Managing reward is directly linked to performance, productivity, turnover, attitude, and the overall health of an organization. Compensation, pay, benefits, salary, and praise make up what is called "reward". The reward is an integral and vitally important part of the fabric of any organization, from small to large and from the government to private.

Course Objectives:

At the end of this course the participants will be able to:

- Uniquely exploring reward from an administrative, strategic and human perspective
