Leadership Skills and Corporate Responsibilities

REF: C2265 DATE: 4 - 8 November 2024 Venue: Kuala Lumpur (Malaysia) - Fee: 5850 Euro

Introduction:

You will get knowledge of sustainable leadership and corporate responsibility in this modern and useful program. Any organization can gain a competitive edge through sustainable leadership. Organizational social responsibility CSR enables an organization to be socially accountable to the public and to all stakeholders. Organizations that engage in CSR practices become aware of how their actions affect the economic, social, and environmental aspects of society.

Social responsibility and sustainability leadership open up chances for organizations in the form of innovation, ongoing development, sustained competitive advantage, and long-term success. You will learn about international best practices in sustainable leadership in this skill-building session created for all managers, leaders, and supervisors.

Course Objectives:

At the end of this course, the participants will be able to:

- Examine sustainable living principles.
- Explain the proper procedures for corporate social responsibility CSR
- Determine the problems with ethics and business law.
- Recognize the significance of stakeholder management.
- Describe strategies for promoting sustainability and CSV in businesses.
