Strategic Planning with Development &
Implementation

A group of four smiling business professionals (two men and two women) are seated at a table in a meeting room. They are all wearing white shirts. The woman in the foreground is wearing a black top and a multi-strand necklace. The background is blurred, showing a bright, modern office environment.

Strategic Planning with Development & Implementation

REF: ST8 DATE: 2 - 6 September 2024 Venue: Amsterdam (Netherlands) - Fee: 5565 Euro

Introduction:

Effective strategic leadership is primary to the future success of any organization. This starts with defining a clear strategic vision - setting out the leadership team's strategic intent for the organization and its various businesses. This then needs to be translated into an agenda for action - not merely a "strategic plan" but a set of guidelines or a road map setting out where the business needs to go and empowering managers at all levels to make the multitude of decisions that they need to make in the clear understanding of where the business is heading.

Program Objectives:

At the end of this program the participants will be able to:

- Develop the three key strategic agendas for leaders: Intellectual, Managerial and Behavioural.
- Lead and motivate teams and businesses in diverse, turbulent and complex environments.
