Financial Awareness

REF: F1253 DATE: 8 - 12 December 2024 Venue: Dubai (UAE) - Fee: 4400 Euro

Introduction:

This training program aims to enhance financial awareness by providing participants with essential knowledge about financial concepts, tools, and practices. It covers fundamental principles of financial management, including budgeting, financial statements, and key metrics used in evaluating financial health. It empowers participants to make informed financial decisions and understand their impact on both personal and organizational levels.

Program Objectives:

By the end of this program, participants will be able to:

- Understand basic financial concepts and terminology.
- Interpret financial statements and assess financial performance.
- Apply budgeting techniques to manage personal and organizational finances.
- Recognize key financial metrics and their implications.
- Make informed financial decisions based on financial analysis.

Targeted Audience:

- Managers and team leaders.
- Employees seeking to improve their financial literacy.
- Small business owners.
