Emotional Intelligence for Leadership Excellence

REF: Z2115 DATE: 11 - 15 November 2024 Venue: Rome (Italy) - Fee: 5940 Euro

Introduction:

This training program explores the essential elements of Emotional Intelligence EI and its impact on leadership and team dynamics. Participants will gain practical skills to enhance self-awareness, empathy, communication, motivation, and relationship-building within their professional environments.

Program Objectives:

By the end of this program, participants will be able to:

- Develop self-awareness to manage emotions and leadership style.
- Use self-regulation to stay composed and make sound decisions.
- Apply empathy to build strong, trust-based relationships.
- Enhance social skills for effective communication and conflict resolution.
- Inspire and motivate teams to drive performance.
- Foster a positive work environment through emotional intelligence.
