Value Added Tax VAT

REF: TR2262 DATE: 22 September - 3 October 2024 Venue: Manama (Bahrain) - Fraser Suites Seef Bahrain Fee: 8375 Euro

Introduction:

In this training course on Value Added Tax VAT, participants will gain a deep understanding of VAT concepts, principles, and regulations. Through a combination of theoretical knowledge, practical examples, and case studies, participants will learn how to navigate the complexities of VAT implementation and compliance, enabling them to make informed decisions and effectively manage VAT-related processes within their organizations.

Program Objectives:

At the end of this program, Participants will be able to:

- Understand the fundamentals of Value Added Tax and its role in the global economy.
- Gain insights into VAT regulations, principles, and compliance requirements.
- Develop the skills to calculate, account for, and report VAT accurately.
- Learn strategies for managing VAT risks, exemptions, and special schemes.
- Apply VAT knowledge to optimize business operations and enhance financial management.

Targeted Audience:

- Finance professionals responsible for VAT compliance and reporting.
- Tax managers and consultants involved in VAT planning and implementation.
- Business owners and entrepreneurs seeking to understand the impact of VAT on their operations.
