FIDIC Contracts Management

REF: U1624 DATE: 29 July - 2 August 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

This training program offers participants an in-depth understanding of the FIDIC suite of contracts, widely used in the international construction industry. It empowers them to handle the complexities of FIDIC contracts in various project environments.

Program Objectives:

At the end of this program, participants will be able to:

- Understand the principles and structure of FIDIC contracts.
- Develop skills for effective management of FIDIC contracts.
- Ensure compliance with FIDIC contract provisions.
- Mitigate risks associated with FIDIC contracts.
- Resolve disputes under FIDIC contracts efficiently.

Targeted Audience:

- Contract Managers.
- Project Managers.
- Legal Professionals.
- Engineers and Architects.
- Procurement Specialists.
- Construction Professionals involved in contract management.

Program Outline:

Unit 1:

Introduction to FIDIC Contracts:

- Overview of FIDIC and its suite of contracts.
- History and evolution of FIDIC contracts.
