Retirement Planning

REF: H2058 DATE: 2 - 6 December 2024 Venue: Bangkok (Thailand) - JW Marriott Bangkok Fee: 6960 Euro

Introduction:

The employee benefits and financial aspects of retirement planning have traditionally been emphasized in training courses on retirement planning. Personal planning is crucial since it affects how satisfied you are with your retirement lifestyle. Because it identifies your sources of income and expenses and develops your retirement budget based on your unique strategy, financial planning is important.

Program Objectives:

At the end of this program, participant will be able to:

- Take ownership of and accountability for their retirement strategy.
- Describe the next topic in their life that best fits their personality, interests, needs, and current situation.
- Create their holistic retirement plans, taking into account their spiritual, physical, intellectual, career, emotional, social, and financial SPICES/F aspects of life.
- Reach their financial well-being goals, make wise choices about the creation, protection, and distribution of their wealth via investments, insurance, wills.
- Design rewarding retirement lifestyles.

Targeted Audience:

- Retiring mandatory or voluntary Employees.
- Spouses of Retiring Employees.
