New Product Launch Using Marketing
Communication: Proven Strategies and
Techniques

A group of four smiling business professionals (two men and two women) are seated at a table in a meeting room. They are all wearing white shirts. The woman in the foreground is wearing a black top and a multi-strand necklace. The background is blurred, showing a modern office environment with large windows.

New Product Launch Using Marketing Communication: Proven Strategies and Techniques

REF: ST363 DATE: 8 - 12 December 2024 Venue: Dubai (UAE) - Fee: 4400 Euro

Introduction:

In our modern world, products are developed, launched, upgraded, and re-launched in record times. Agile Product Management is crucial in gaining a competitive advantage and prospering in the fast-moving and ever-changing times. Product managers need to develop interdisciplinary skills that allow them to work effectively and agilely with diverse groups of colleagues, from innovation to product and sales and marketing.

This course will provide you with a fundamental understanding of how to develop new products and services, as well as providing a useful set of tools and techniques to help you achieve your goals.

Course Objectives:

At the end of this course the participants will be able to:

- Examine all aspects of the New Product Development NPD process, its importance, and factors influencing stages involved in successful NPD.
- Identify a variety of launch success factors that will improve launch process planning and execution.
- Suggest ways for companies to avoid launch ruts by adopting techniques that appeal to today's consumers.
- Understand the importance of using media vehicles to ignite the product launch process and increase the viability of the new product.
- Prepare product launch checklists and budgets to overcome roadblocks and smoothen the launch process.

Targeted Audience:

All staff concerned with their organization's growth and profitability. This could include Business Development Managers; Marketing; Sales Product and Brand Managers; R & D Managers and Personnel; Managing Directors and Directors over a wide range of business areas; and everyone involved in Strategy Planning. This program is worth 25 NASBA CPEs.
