Effective Time, Task & Work Planning

REF: C653 DATE: 15 - 19 December 2024 Venue: Cairo (Egypt) - Fee: 4095 Euro

Introduction:

With the accelerating change of the twenty-first century, time management skills are at the top of the personal development tool kit. Know where you're going? What do you want from work and life? Concerned how time slips through your fingers and another day, week, month, a year goes by without achieving all your goals?

This conference will help you assess your present situation, in terms of work and personal life. It will enable you to manage yourself more efficiently within your time constraints and show you how to better organize and priorities your work/life tasks.

Conference Objectives:

At the end of this conference the participants will be able to:

- Explain why managing time matters to our work and health, in our changing world
- Identify tasks that should be: completed with their key objectives and managed away.
- Analyze situations that hinder their performance and identify techniques to overcome them.
- Use simple frameworks for planning, including allocating and managing priorities, scheduling work, working proactively and reactively and project planning.
- Set, monitor, and measure the success of objectives.
- Analyze their strengths and development needs and prepare a personal development plan for the next twelve months.
- Identify and implement techniques to manage themselves more effectively under the constraints of today's busy lifestyles.
- Involves others e.g., cross-functional peers or units in suitable activities and stages.
- Establishes specific action planning

Targeted Audience:

- All the staff among all the levels.
- Persons who want to enhance their professional and personal life.
- Employees who want to get important skills to improve their profile.
