

€ TRAINING

Organizational and Departmental
Communication

A group of four smiling business professionals (two men and two women) are seated at a table in a meeting room. They are all wearing white shirts. The woman in the foreground is wearing a black top and a multi-strand necklace. The background is a bright, modern office environment.

Organizational and Departmental Communication

REF: Q2083 DATE: 4 - 8 November 2024 Venue: Paris (France) - Fee: 5940 Euro

Introduction:

This training program offers comprehensive instruction on enhancing communication effectiveness within organizations and between departments. Through theoretical learning and practical exercises, this program equips individuals with the skills needed to navigate complex communication dynamics and contribute to organizational success.

Program Objectives:

At the end of this program, participants will be able to:

- Determine the most efficient channels for cooperative departmental communication.
- Display top-notch internal customer service abilities.
- Utilize proactive methods to streamline cross-departmental work procedures.
- Apply various team-building techniques to bring about alignment inside the company. Eliminate communication obstacles to reduce interdepartmental friction.
- Create a strategy to improve organizational communication in general.

Targeted Audience:

- Managers and supervisors responsible for facilitating communication within their departments.
- Team leaders aiming to improve interdepartmental collaboration and coordination.
- Communication professionals involved in designing and implementing organizational communication strategies.
- Employees at all levels seeking to enhance their communication skills to contribute effectively to their departments and the organization as a whole.
