Competency Based Management

REF: H1526 DATE: 28 October - 1 November 2024 Venue: London (UK) - Landmark Office Space Fee: 5300 Euro

Introduction:

Getting the best from people is a complex and difficult task. It is also the key to running a successful team or department.

The use of competencies can be of great help in understanding behavior and ensuring that the right people are in the right jobs and the right techniques are used to motivate them. This seminar will show you how to achieve this.

Course Objectives:

At the end of this course the participants will be able to:

- Define a competency and understand the distinction between competencies, skills, and tasks.
- Describe how to use competencies in public and private organizations.
- Differentiate between Leadership competencies, Technical competencies, and Behavioural competencies.
- Link competencies to organizational objectives and values - manage not only what staff do but how they do it.
- Use competencies for recruitment and assessment; for development; for talent management; for performance management and for succession planning.

Targeted Audience:

- Those who want to learn the skills involved in improving productivity or improving behavior at work
- Those who are responsible for managing or supervising any type of person, group, or team
- HR, Performance Management, and Learning & Development professionals who are responsible for the design and delivery of competency-based HR and people related programs
