Customer Satisfaction Improvement Action
Planning

A group of four smiling business professionals (two men and two women) are seated at a table in a meeting room. They are all wearing white shirts. The woman in the foreground is wearing a black top and a multi-strand necklace. The background is blurred, showing a bright, modern office environment.

6 - 10 October 2024
Cairo (Egypt)

Customer Satisfaction Improvement Action Planning

REF: V1104 DATE: 6 - 10 October 2024 Venue: Cairo (Egypt) - Fee: 3520 Euro

Introduction:

The Customer Satisfaction Improvement Action Planning training program helps participants analyze feedback, identify improvement areas, and create actionable plans to boost satisfaction levels.

Program Objectives:

At the end of this program the participants will be able to:

- Describe how to use Quality Management tools and methods to measure their own degree of customer focus and influence customer expectations effectively.
- Build strong customer relationships by implementing improved people skills and enhancing service to both internal and external customers.
- Develop strategies and skills for harnessing Internet and Social Media tools to create and maintain meaningful relationships with customers.
- Measure their own degree of customer focus and apply various methods to get closer to the customer, improving service internally and externally.
- Implement improved people skills to enhance customer service and build effective relationships, both internally and externally.
- Use skills to build effective relationships and set customer expectations while developing strategies for utilizing Internet and Social Media tools to maintain sustainable relationships with customers.
