

€ TRAINING

Innovation Management and Strategy
Development

A group of four smiling business professionals (two men and two women) are seated at a table in a meeting room. They are all wearing white shirts. The woman in the foreground is wearing a black top and a multi-strand necklace. The background is blurred, showing a bright, modern office environment.

3 - 7 March 2025
Madrid (Spain)

Innovation Management and Strategy Development

REF: ST2815 DATE: 3 - 7 March 2025 Venue: Madrid (Spain) - Fee: 5300 Euro

Introduction:

This training program equips participants with the knowledge and skills necessary to foster a culture of innovation, develop innovative processes, and implement effective strategies to manage and leverage innovation within their organizations. It enables participants to drive meaningful change and improve organizational performance.

Program Objectives:

By the end of the program, participants will be able to:

- Understand the principles and importance of innovation management.
- Develop the skills to create and implement innovation strategies.
- Analyze various innovation models and frameworks.
- Foster a culture of creativity and innovation within teams.
- Evaluate and measure the success of innovation initiatives.
