

€ TRAINING

ISO IEC 20000 1 2018 Internal Auditor

A group of four smiling professionals (three men and one woman) in a meeting setting. The woman in the foreground is wearing a black top and a multi-strand necklace. The others are wearing white shirts. The background is a blurred office environment.

3 - 7 February 2025
Rome (Italy)

ISO IEC 20000 1 2018 Internal Auditor

REF: A1623 DATE: 3 - 7 February 2025 Venue: Rome (Italy) - Fee: 5940 Euro

Introduction:

This program is designed to prepare participants for the certification exam only.

This training program provides comprehensive training on auditing IT service management systems according to ISO/IEC 20000-1:2018 standard. It empowers participants to enhance organizational efficiency and customer satisfaction through effective IT service delivery.

Program Objective:

At the end of this program, participants will be able to:

- Understand and interpret the requirements of ISO/IEC 20000-1:2018 standard.
- Plan, conduct, report, and follow up on audits effectively.
- Identify non-conformities and opportunities for improvement in IT service management systems.
- Develop and implement corrective action plans to address audit findings.
- Promote continuous improvement in IT service delivery and customer satisfaction.
- Prepare for the certification exam.

Targeted Audience:

- IT professionals involved in IT service management.
- Quality assurance and compliance managers.
- Internal auditors specializing in IT service management systems.
- IT service managers and coordinators.
- Personnel involved in implementing and auditing ISO/IEC 20000-1:2018 IT service management systems.
