Mastering Corporate Business Development in Financial Institutions

REF: M2838 DATE: 2 - 6 February 2025 Venue: Sharm El-Sheikh (Egypt) - Fee: 3520 Euro

Introduction:

This training program is designed to equip participants with advanced strategies in business development and relationship management within the financial sector. Participants will learn how to effectively manage client relationships, drive business growth, and develop strategies that align with the evolving needs of corporate clients.

Program Objectives:

By the end of this program, participants will be able to:

- Develop and implement corporate business development strategies tailored to the financial sector.
- Enhance corporate relationship management skills to retain and grow key client accounts.
- Understand the financial needs and expectations of corporate clients and align services accordingly.
- Lead business development teams effectively in a competitive corporate environment.
- Apply data-driven decision-making in growing deposits and managing loans to reduce non-performing loans NPLs.

Targeted Audience:

- Corporate banking professionals.
- Relationship managers in financial institutions.
- Team leaders and supervisors in business development.
- Professionals responsible for corporate client growth and management.
- Financial strategists focusing on corporate banking solutions.
