ITIL Lead Implementer

A group of four smiling business professionals (two men and two women) in a meeting room. They are wearing white shirts and are seated around a table. The background is blurred, showing a modern office environment. A large blue curved graphic element is overlaid on the top right and bottom right of the image.

23 - 27 September 2024
Geneva (Switzerland)

ITIL Lead Implementer

REF: M2383 DATE: 23 - 27 September 2024 Venue: Geneva (Switzerland) - Fee: 5940 Euro

Introduction:

This program is a comprehensive training program designed to equip professionals with the knowledge and skills necessary to lead IT service management ITSM initiatives within their organizations. It will provide you with a deep understanding of the ITIL framework and guide you in implementing ITIL best practices effectively.

Program Objectives:
