

€ TRAINING

Social Media Account Management

A group of four smiling business professionals (three men and one woman) are seated at a table in a meeting room. They are all wearing white shirts. The woman in the foreground is wearing a black top and a multi-strand necklace. The background is blurred, showing a modern office environment with large windows.

11 - 15 November 2024
Dusseldorf (Germany)

Social Media Account Management

REF: R1679 DATE: 11 - 15 November 2024 Venue: Dusseldorf (Germany) - Fee: 5940 Euro

Introduction:

This training program designed to equip participants with the skills and knowledge necessary to effectively manage social media accounts for businesses and organizations, participants will learn the fundamentals of social media platforms, content creation, and community engagement strategies. The program emphasizes the importance of understanding target audiences and leveraging analytics to optimize performance. Participants will also explore best practices for maintaining brand consistency and implementing crisis management protocols.

Program Objectives:

By the end of this program, participants will be able to:

- Master the essentials of social media platforms and their features.
- Create engaging content tailored to target audiences.
- Increase followership, engagement, and brand awareness.
- Utilize social media analytics tools for strategy optimization.
- Learn crisis management techniques for effective response.
- Maintain brand consistency and voice across platforms.

Targeted Audience:

- Marketing professionals enhancing social media skills.
- Business owners managing own social media.
- Social media managers overseeing multiple accounts.
- Entrepreneurs building brand presence online.
- PR professionals boosting online presence.
- Freelancers offering social media services.
